

Cloud Passport disclaimer

Dear Users of our website!

The safety of the Service and its Users is the main component of our work.

In this regard, we inform you that:

- You must read this and our other legal documents before registering or placing an order. We respect the laws, rules and regulations of all countries.
- Our templates are only for use in movies, TV shows, web illustrations (online account verification).
- Buying and owning a PSD template from this site is not illegal, but making a fake PVC license/card/ID for physical use is illegal and a serious crime. So the use for fraudulent purposes is strictly prohibited.

We set up our template in such a way that people cannot physically use it (by making a fake license/card/ID out of PVC). If you are going to use our fake PVC license/card/ID card template, please exit our site immediately.

- The Service does not assume any responsibility for your illegal actions aimed at obtaining benefits for personal or other purposes.
- The Service does not carry out its activities only in the legal field, other activities are not provided and attempts to implement it will be immediately stopped by the Service.
- Other conditions are provided in the legal documentation of the Service, in particular in the Offer of the Cloud Passport Service.
- This Disclaimer is developed by and belongs to the legal agency LAWYER IN TATTOO
